**Correction to:** *npj Vaccines* <https://doi.org/10.1038/s41541-018-0078-0>, Published online 03 October 2018

In the original published version of this article, substantive revisions that had been requested during peer review, and assessed by the reviewers were omitted from the final version submitted by the authors. The corrections address the scientifically substantive issues that were not included in that version and have been corrected in the HTML and PDF versions of the article. The Supplementary Information for this correction includes the details of the changes made to the article. All authors (R.O.B., L.B., K.W., G.A., O.G.N., S.P., B.Z., V.G., M.H.S., N.C., C.B.Q., R.B. and A.S.) have approved these changes.
